What is the Albion Chamber of Commerce?

We are a non-profit, membership organization working to promote and develop the commerce and character of the Albion area through a cooperative network of leadership and involvement of business, industry, and the community at large.

A volunteer board of directors, elected annually by members, provides leadership. Volunteers may serve on a variety of project committees to execute on the visions of the membership.

Ultimately, the Chamber is a business association in which businesses help businesses and individuals engage in support of the betterment of the Albion community.
